

Bridges Case Record & Document Uploading Requirements

The following is a guide regarding Bridges case record requirements including documents that *must be* uploaded to SACWIS or kept in the paper case file. Documents listed below include those you may happen to receive throughout the life of the case and denote what section of the case file the document should be placed. This list is non-exhaustive. If you have documentation and are unsure if and where it should be retained, please speak with your Regional Coordinator or ODJFS policy developer.

I. Bridges Assessment

- Bridges Assessment Questionnaire (S)
